

## The space that offers variety of elegance and beauty.

The hotel is equipped with eleven banquet halls full of individuality that can be used according to the number of people and purpose, from small-group dinners to parties up to 560 people.

Sky Room

### Multi-function floor (Sky Room)

The view unique to the top floor adds color to various gatherings such as wedding receptions and exhibitions.

We can prepare either a chair seats or a tatami room according to your request.

## Higashi Osaka Sky Terrace overlooking the Osaka Plain

The outdoor terrace on the 4th floor of the North Building offers a panoramic view of the Osaka Plain; here you can enjoy cafe time and authentic BBQ.

The city lights are beautiful at night, and it is a terrace with a superb view regardless of the time of day. Free viewing space is also available.

## Enjoy a special visit to hot springs inn with a panoramic night view of Osaka.

The sun shines and the birds chirp. Designed by Japanese architectural genius Kisho Kurokawa, Hotel Seiryu is gracefully located at the foot of Mt. Ikoma.

It is blessed with a plethora of natural beauty and offers relaxation like no other urban resort.

It is conveniently accessible from central Osaka and Nara. And from a height equivalent to 70 floors above the ground, it offers a superb view, abundant space, and is fully equipped.

Whether you are on business or traveling, we will make you feel at home.
